Hey [Name],

If you’re building a list—or sending traffic to offers—you already know the quality of clicks matters more than quantity.

That’s why I use and recommend OptinWizard Solo Ads.

You get:

- ✅ 90–100% Tier-1 traffic (USA, UK, CA, AU, NZ)
- ✅ Repeat buyer audiences
- ✅ Fast delivery with clean tracking

No fake reviews, no filler clicks. Just reliable traffic that converts.

✅ Email 2: “Not All Solo Ads Are Equal (Here’s Why)”

Subject Line Options:

1. The Truth About Solo Ads Nobody Tells You
2. Why Most Solo Ads Fail (and How to Fix It)
3. Real Traffic Beats Cheap Clicks Every Time

Body:

Let’s be honest—most solo ad sellers don’t deliver what they promise.

You get junk traffic, fake opt-ins, or non-buyers. Been there?

That’s why I recommend OptinWizard. It’s the only source I trust when it comes to Tier-1 clicks that actually convert.

They only send traffic from proven buyers, and their delivery is fast, clean, and trackable.

When someone asks me where to get traffic that’s actually worth it—this is my answer:

OptinWizard Solo Ads

It’s not the cheapest... because it works.

With 90–100% Tier-1 clicks, you get better leads, more opens, and more buyers. And yes, I’ve tested it myself.

It’s one of the few vendors I actually recommend to others.
